

CLEVELAND -- Now available from [Tomlinson Industries](#) is a line of holders for dispenser boxes of disposable gloves. They mount on a wall, making the gloves easily accessible and freeing up valuable counter space.

The holders are offered in three models, holding (respectively) one, two and three 100-ct. glove boxes. They feature durable stainless-steel fabrication, and mount easily by means of keyhole slots and the supplied mounting hardware. The stainless steel construction makes them easy to clean with a damp cloth.

Tomlinson also offers an extensive variety of foodservice and work gloves, including C-Kure disposable nitrile, "non-latex," vinyl and poly styles in a variety of sizes and lengths. The complete line includes knit and metal mesh cut-resistant and cotton work gloves.

Tomlinson Industries produces equipment, supplies and accessories for beverage and foodservice, ranging from its well-known faucets through many types of holding, dispensing, reheating and serving systems. It maintains an illustrated website at tomlinsonind.com ; the glove line is enumerated under [Protective Wear](#)

Tomlinson Industries is headquartered at 13700 Broadway Ave., Cleveland, OH 44125-1992, tel. (216) 587-3400.
